CITY CLERK'S OFFICE

April 27, 2021

The Honorable Michael Santiago
Mayor, Millville City
12 South High Street
P.O. Box 609
Millville, NJ 08332

Dear Mayor Santiago:

I am pleased to inform you that Millville City has been selected to receive \$900,000.00 in Transportation Alternatives Set-Aside Program funding for the Millyard Riverfront Walk Project.

The Transportation Alternatives Set-Aside Program is administered by the New Jersey Department of Transportation (NJDOT), in partnership with the North Jersey Transportation Planning Authority (NJTPA), the Delaware Valley Regional Planning Commission (DVRPC), and the South Jersey Transportation Planning Organization (SJTPO). The goal of the Transportation Alternatives Program is to provide federal funds for community based "non-traditional" surface transportation related projects designed to strengthen the cultural, aesthetic, and environmental aspects of the nation's intermodal system. The Transportation Alternatives Set-Aside Program has proven to be very popular and extremely competitive. This year 133 applications were received totaling more than \$100 million. The Department was able to fund 14 projects based on available funding.

Please be advised that your project must be authorized for implementation by April 27, 2023. In addition, the project must be authorized prior to incurring any project related costs that will be reimbursed under this program. Any costs incurred prior to authorization will be ineligible for reimbursement. As with all federally funded programs, the funds will be disbursed on a reimbursement basis.

The award of Transportation Alternatives Set-Aside grants will be contingent upon the recipient's ability to comply with all applicable federal financial management, project implementation, and oversight regulations. Grant recipient's capabilities to comply with state and federal requirements for the administration of federal-aid highway grants including 23 CFR - Highways, and OMB requirements related to 2 CFR 200, 2 CFR Part 215, cost principals and audit requirements will be assessed prior to the awarding of funding for this project.

New Jersey Is An Equal Opportunity Employer • Printed on Recycled and Recyclable Paper

Additionally, all recipients of federal and state grants are required to comply with the provisions of Title II of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.

SECTION 2

ARTICLE XVII STREET VENDORS

§ 33-131 Purpose.

§ 33-132 Definitions.

As used in this article, the following terms shall have the following meanings unless the context clearly indicates that a different meaning is intended:

of public outcry. The sales are not made from a fixed location and delivery of the goods or wares is made at the time of the sale.

HUCKSTER or PEDDLER

Any person who travels about from house to house or from store to store without appointment selling goods or wares. The sales are not made from a fixed location and delivery of the goods is made at the time of sale.

STREET VENDOR

A street vendor includes a canvasser, solicitor, hawker, huckster and peddler.

~~VEHICULAR FOOD or BEVERAGE VENDOR~~

~~Any person traveling through the streets of the City in a motor vehicle stopping to sell food or beverages at retail to customers coming up to the vehicle is a "street vendor." An example of this is an ice cream truck. This does not include vehicles making deliveries to private residences or other locations.~~

§ 33-133 License required.

No person shall engage in street vending within the City unless licensed to do so pursuant to this article. The license required shall be known as a "street

vendor license" and shall be issued by the City Clerk after payment of the required fee and compliance with these regulations. The fee for the license shall be \$25 per day for each licensee or \$400 per year.

§ 33-134 Application.

The application for the license required by this article shall be made in writing and filed with the City Clerk on a form provided by his office. The application shall contain the following information:

However, said person shall be required to register with the City Clerk before conducting any canvassing or soliciting within the City. An application for a registration certificate shall be filed which contains the following information: the name and address of the applicant, name and address of the applicant's employer and the nature of the business. No registration certificate shall be issued for 48 hours after the application is filed so that the Chief of Police or his designee has sufficient time to conduct a

background investigation on the applicant to determine whether the applicant has been convicted of a criminal offense involving moral turpitude or any other offense involving consumer fraud.

B. Outside salespersons are exempt from the licensing fee and the regulations contained in this article.

C. Veterans and other persons named in N.J.S.A. 45:24-9 are exempt from the licensing fee and licensing requirements applicable to street vendors, but they are subject to the regulations affecting them. However, if veterans or other persons named in N.J.S.A. 45:24-9 engage in any other activity which is required to be licensed by any other article of this chapter, they are subject to the applicable licensing fees, licensing requirements and regulations.

D. Food trucks/trailers are governed by Article XVI and are therefore exempt from this Article.

SECTION 3

Should any provision of this ordinance be deemed invalid for any reason that invalidity shall not affect the remaining provisions of the ordinance, and the provisions and sections of the ordinance are hereby declared to be severable with respect to their validity.
