**CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM**

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

**CAPITAL BUDGET**

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

**CAPITAL IMPROVEMENT PROGRAM**

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
  - 6 years. (Over 10,000 and all county governments)
  - years exceeding minimum time period.
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

## First Amendment to the 5-Year Neighborhood Preservation Program Plan Covid-19 Response Pilot Program in Millville, NJ May 19, 2020

A report produced by Stockton University's William J. Hughes Center for Public Policy, released on Monday April 20, 2020, is predicting that the South Jersey's coronavirus economic impact will be greater than the one it experienced during the Great Recession.

"While we will eventually begin to work and play again, it strains credulity to believe that we will all do so at the same levels we previously did — at least for the better part of what remains of 2020," said Oliver Cooke PhD, editor of the review and associate professor of economics at Stockton University.

Even as restrictions ease, residents and tourists still may be hesitant to go to restaurants, casinos, conventions, concerts and retail stores, Cooke said, calling it the "COVID-19 drag."

Further the report states that while businesses can receive some help from federal stimulus programs, "at the end of the day it can't accomplish what a fully rebooted economy ultimately requires: 'Open for Business' signs in every window."

The report goes on to state that in a best-case scenario, South Jersey will resume some degree of normalcy by mid-June, in the worst-case scenario, those mass closures and the ensuing "COVID-19 drag" would stay in place until mid-August, which would deal a massive blow to South Jersey's economy.

### In Response.....an NPP Pilot Program for Year I

Millville is currently a Neighborhood Preservation Program (NPP) grant recipient, and as such they have developed a comprehensive, data based, community driven plan to address the challenges faced by their Center City neighborhood. The NPP Millville plan was written *before* the Covid-19 breakout.

In response to this enormous threat, staff from the NPP program, the City of Millville, and Holly City Development Corporation, are working together to create a pilot program to support the NPP District's small businesses as they face their new (Covid-19 created) challenges.

### Program Eligibility

- Businesses must be located within the NPP District in order to qualify for assistance
- The selection will not be based on first come, first serve, but will be selected based on need, previous profitability, ability to continue operations seamlessly upon reopening, etc.
- All businesses must evaluate and, if eligible, apply for other business assistance programs (via the Business Assistance Coordinator) before being eligible to receive other assistance from NPP
- All business must be willing to participate in a small business needs assessment that includes: the businesses current marketing strategies; promotional strategies; etc.
- Priority will be given to the following businesses;

DRAFT

- Priority 1: Businesses that are currently open or have demonstrated profitability prior to closing
- Priority 2: Retailers (currently closed)
- Priority 3: Service providers (currently closed)

## The NPP Millville Covid-19 Response Pilot Program Objectives

The pilot program will provide funds for the retention of a professional (Small Business Assistance Coordinator) who will provide small business owners in the Millville NPP district, with guidance in applying for small business grants and loans from all sources as well as recovery planning.

### Marketing and Ecommerce Assistance

The program will utilize IT students to provide this service to the small businesses in the NPP district. Students may be paid with a small stipend, NPP District gift cards, and letters of recommendation.

### Gift Cards and Small Business Purchasing

The purchase of goods, services, gift cards will be evaluated at the time of application through a business needs assessment. The assessment will take into account the businesses marketing, promotions and small business needs. Recommendations will be made by the Small Business Assistance Coordinator on additional resources needed.

### Small Business Loan Program

The Coordinator will review all applicant files and recommend (or not recommend) an NPP Small Business COVID-19 forgivable loan. The Coordinator will use triage criteria to assess the likelihood of a business surviving if NPP forgivable loan funds were awarded.

The Coordinator will assume the worst-case scenario (end of August) to determine if the business is financially sound enough to survive until then.

Businesses that could prove that they have leveraged funds from other sources, and that NPP funds were being used for gap financing, would be prioritized.

DRAFT

These recommendations will be submitted to The Millville NPP Covid-19 Pilot Program Team which will consist of representatives from the State, City and Holly City Development Corporation. This team will meet on a weekly basis to make a determination on forgivable loan recipients.
