RESOLUTION NO. _____-2020

AWARDING A PROFESSIONAL SERVICES CONTRACT TO FRANKLIN J. RIESENBURGER, ESQUIRE of the firm of FLASTER GREENBERG

WHEREAS, the City of Millville (hereinafter referred to "Municipality") sought and obtained Requests for Proposals to perform professional services on behalf of the Municipality with **Franklin J. Riesenburger, Esquire of the firm of Flaster Greenberg** (hereinafter referred to as "Contractor") having submitted the most qualifying bid under the criteria set forth; and

WHEREAS, the Local Public Contracts Law, N.J.S.A. 40A:11-1, *et seq.,* provides that contracts for professional services may be awarded without public advertisement therefore; and

WHEREAS, Millville City Code § 2-64.3 provides that Professional Services Contracts in excess of $17,500.00 be awarded pursuant to a **Non-Fair and Open Process** unless this requirement is waived by the Board of Commissioners on a case by case basis; and

WHEREAS, under the Local Public Contracts Law, the subject contract is a contract for professional services because:

(A) Professional services of the type herein sought are of such a nature as to require a high degree of trust or confidence in the individual entity providing the service and, in fact, may require the creation of a confidential or fiduciary relationship between that individual or entity and the municipality; and

(B) The services required are highly specialized or technical in nature; and

(C) The services require peculiar ability or skill and demand a high degree of specialized knowledge or expertise; and

(D) The services are such that their relative worth must be judged by subjective considerations that are not susceptible of valuation by competitive bidding; and

(E) The individual or entity who will provide these services has demonstrated competence and particular expertise in the services required; and

(F) The individual or entity who will perform these services is held to and fully adheres to the strict ethical standards that govern the involved profession; and

(G) The services include advice to and consultation with the municipality that require both knowledge and judgment on the part of the individual or entity providing services, as well as the confidence of the municipal officials such that competitive bidding is not feasible or practical; and

(H) The services to be provided are such that their nature,

scope and duration are not capable of precise measurement, but rather require a flexibility and discretion that render competitive bidding impractical and inefficient.

NOW THEREFORE, BE IT RESOLVED by the Board of Commissioners of the City of Millville, County of Cumberland and State of New Jersey that:

1. All of the statements of the preamble are incorporated herein by this reference thereto as though the same were set forth at length.

4. This Resolution shall only be effective when a copy of a certification of availability of funds prepared by Chief Financial Office of the City is attached hereto.

5. The Business Disclosure Entity Certification and the determination of value shall be placed on file with this Resolution.
