Mr. Robert Gallaher, Chairperson

Dear Mr. Chairperson

Regretfully, I must submit my resignation from the Millville Planning Board. My Husband's health will not permit me to continue fulfilling my position. My two years association with the board has been a very good experience, and I'm grateful for the professional relationships I have developed with the wonderful people that are on the board. It has been an honor and a pleasure to serve.

Sincerely, Diane Risdon

A handwritten signature in cursive script that reads "Diane Risdon". The signature is written in black ink and is positioned below the typed name.
