CITY CLERK'S OFFICE

Dear Mayor Santiago:

I am pleased to inform you that your community has been selected to receive funding from the New Jersey Department of Transportation's (NJDOT) Fiscal Year 2020 Local Freight Impact Fund Program for the Wade Boulevard and Orange Street Road Reconstruction project in the amount of \$450,000.00.

NJDOT recognizes the role that transportation plays in the movement of people and goods. The Department encourages and supports the advancement of freight projects which emphasize and enhance the safe movement of large truck traffic, renew aging structures that carry significant large truck traffic, promote economic development, and above all supports new transportation opportunities throughout our State. The completion of the Wade Boulevard and Orange Street Road Reconstruction project will help us achieve this goal and pursue a transportation strategy that continues to provide mobility in our state without increasing the tax burden on the residents of New Jersey.

Should you have any questions regarding your grant, please contact the NJDOT Local Aid District Office in your area.

District 4 - Cherry Hill - 856-486-6618

Again, thank you for your support of this program and good luck with your project.
