Dear Ms. Torres-Velazquez: *Itzel*

One of the conditions of the prior extension approval concerning this project is to provide periodic updates to the Board about progress on this development of a solar energy facility.

To that end, enclosed please find an updated project flowchart showing date milestones for each aspect of the project.

If the Board would like additional information about the status of the project, please let me know and we would be happy to provide that to the Board.

Thank you very much for your attention to this matter.

Very truly yours,

NEHMAD DAVIS & GOLDSTEIN, P.C.
